WORLD NEWS IN REVIEW

Safety Day

Since more people are killed annually in traffic accidents in the U. S. than died in the Great War, it is fitting that public attention is at last directed to systematic control of this problem.

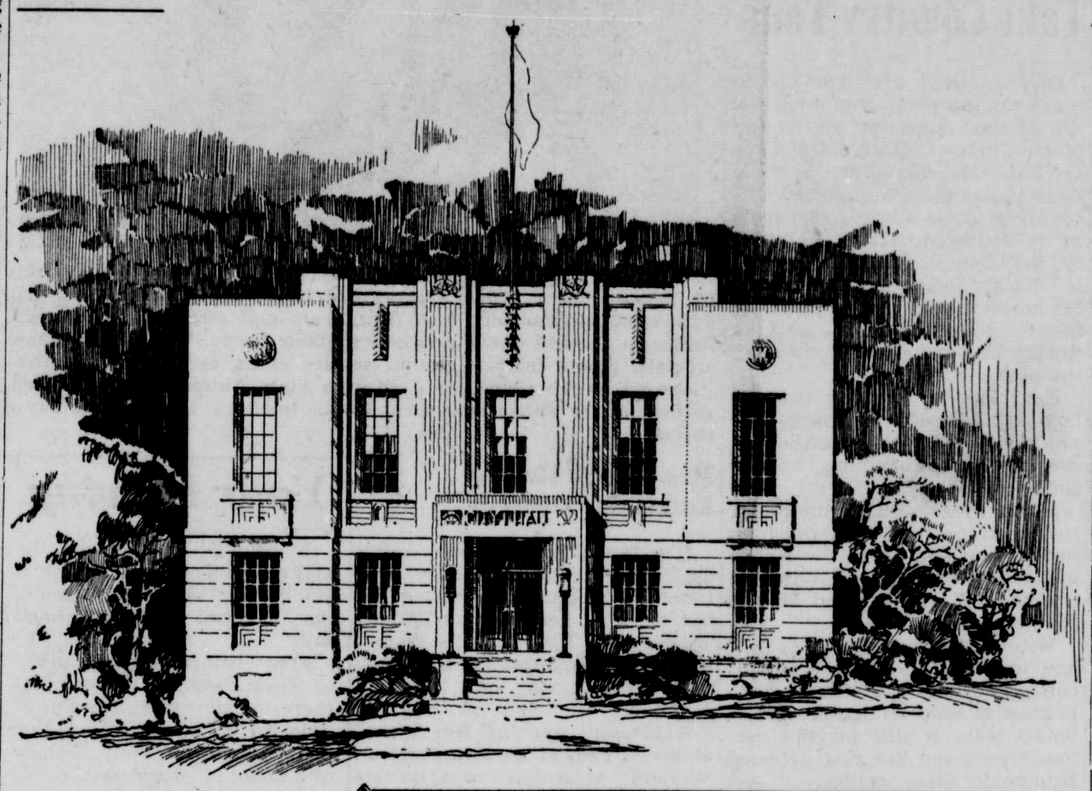

School children, serving as safety patrol units, have done much to decrease the alarming traffic toll. Now, they are to have public recognition.

School Safety Patrol Day at the Exposition, Friday, May 19, will bring together the largest gathering of Patrol members ever held in the west.

With the list of Patrol delegations from throughout California and adjoining states increasing daily, indications point to a total of more than 12,000 Patrol boys and girls being present on Treasure Island for the day's events.

This prospect of a record assemblage of Patrols was reported today by the California State Automobile association, sponsor of the Patrol movement in this territory. School Safety Patrol Day at the Fair has been arranged by the association and Exposition officials as a demonstration of the success of the Patrol idea and as a reward to Patrol members for protecting schoolmates from traffic dangers.

Daly City Civic Leaders And Residents To Dedicate New City Hall at Ceremonies Sunday

The architect's drawing of the front of Daly City's new city hall is shown above. This beautiful civic building, designed by City Architect Will H. Toepke, is now ready for occupancy.

Native Sons and Daughters Plan Program Of Exercises For Major Community Event

There come great days in the history of every city. Ones marking long strides in progress and development. Ones which citizens may justly celebrate and long remember. Next Sunday is to be just such a day in the history of Daly City. Bands will play, parade units will perform along a two-mile line of march, local and guest notables will make speeches, and thousands of residents and their friends will turn out to see the spectacle.

But in a larger sense, the most important significance in the dedication of the new city hall will not be found in fanfare of the day. This new $65,000 structure, standing in modern stateliness near the top of the hill where 20 years ago there was nothing but pasture land, gives evidence of the steady growth and development of one of the most substantial suburban communities to metropolitan San Francisco.

Program Events

Program events of the day will be handled by Joe Tracy, Twin Peaks Parlor NSGW and master of ceremonies. Native Sons of the Golden West, El Carmelo Parlor, No. 256 and Native Daughters of the Golden West, El Carmelo Parlor, No. 181 are sponsoring the dedication program. Mayor Paul G. Selmi is honorary chairman of the day.

Initial program event will be a parade scheduled to start at 1 p. m. at Huron and Mission streets. Line of march will lead along Mission street to Market street at the southern limit of Daly City, back Mission street to Wellington avenue and up Wellington past reviewing stands to be located across the street from the city hall.

Marching units and drum corps of NSGW and NDGW parlors from several bay area cities will be represented in the parade. Daly City band, Fire Department, Catholic Federation, Boy and Girl Scout units will be entered in the parade. Several loving cup awards will be presented to both junior and senior winning parade units.

From a speakers stands in front of the city hall both local and guest dignitaries will be called on to deliver addresses. Grand Vice President Orinda Giannini, representing the local Native Daughter parlor, will present an American flag to the city, and the local Native Sons will present a California Bear flag. Program committeemen announce that the American Legion will present a large American flag to be flown from the city hall mast. Following flag presentations, Edward Talbot, graduating senior at Jefferson Union high school, will be awarded a cash prize for winning

The Memorial Day Celebration, sponsored by the Daly City Post No. 410 of the American Legion and Old Glory Post No. 2044, Veterans of Foreign Wars, will be held Tuesday, May 30, beginning with a parade at 10:00 a. m. and finishing at 12 noon with services at Vista Grande park.

All civic and fraternal organizations are asked to participate with their colors and marching units and drill teams. They are asked to report to Fred Collins at San Jose and Bepler streets at 9:30 a. m. Larry Reilly will act as master of ceremonies. A. J. Gaggero will be the speaker of the day. The complete program will appear in the next issue of the Daly City Record.

Norwegian Royalty To Visit S. F.

Governor Culbert L. Olson will extend his official greeting to Their Royal Highnesses, the Crown Prince Olav and Crown Princess Martha of Norway tomorrow (Wednesday) evening on Treasure Island during a busy two-day trip to the San Francisco Bay district.

The State's official greeting will be tendered the royal couple at a reception in their honor to be given by the California Commission for the exposition, and a dinner to be given by the United Norwegian Societies and Churches of the Bay area, both of which will be held in the California State Building on Treasure Island tomorrow evening, beginning at 6 p. m.

Local Interest

With interest The Record learned this week that F. Erickson, assistant cashier, Daly City Branch, Bank of America, had the pleasure of knowing Prince Olav in Norway. Erickson was born and educated in Norway, and while serving in the King's Guard there met several members of the royal family.

Erickson will attend many of the functions arranged for Prince Olav and Princess Martha, and announced the following program outline for the royal couple: On their arrival at Third and Townsend station tomorrow morning they will be greeted by Norwegian singing societies of the Bay area. Sightseeing around San Francisco, luncheon at the Fairmont Hotel, and a visit to the Lutheran Church on Dolores street are scheduled for the day. Evening program includes reception and banquet on Treasure Island.

Thursday the prince and princess will visit University of California, make a leisurely visit to Treasure Island, and be entertained by the Chamber of Commerce and City of San Francisco at a St. Francis Hotel banquet.

Prince Olav, an all around athlete and known among friends and competitors as an excellent sportsman, will on Friday, with Princess Martha, be entertained at the San Francisco Yacht club and will sail on a tour to interesting points on the bay.

Complete Plans For Day at Fair

More than 100 representatives from county, civic and fraternal organizations met in San Mateo Friday night to complete plans for San Mateo county day at Treasure Island, June 11. City and county officials also attended. Herbert G. King represented Daly City.

According to the present schedule, the celebration will center around the Mission Trails building, with a late afternoon program and a dance in the evening in the California building. Flag raising ceremonies and drill team maneuvers will take place in front of the Federal building at noon.

From 5:30 to 6:30 p. m., the Jefferson Union high school "Indians of Rhythm" will perform in the ballroom of the California building.

General Chairman George Davis issued an invitation to Mayor Selmi and the city councilmen to be present for a welcome by President Leland Cutler of the exposition.

Deadline for notification by organizations that they will participate was set for May 27. Information from drill teams or entertainment groups must be sent immediately to San Mateo Chamber of Commerce, care of David J. Stollery, chairman, in order to receive passes in time.

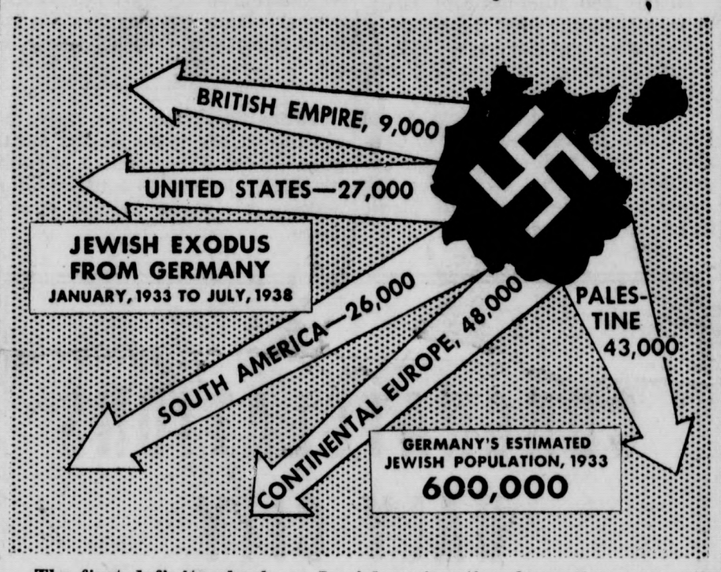

According to Daly City Representative Herbert G. King, lapel buttons for the day will serve not only as admission to the dance in the California building but also to the gala floor show in which Miss Rose dance students will participate, as well as Mr. Stenley of Jefferson Union high school. Buttons may be purchased for 10c each by calling Mr. King, ELkridge 2748.

All Poppy Day Funds Go To Needy

Every penny of the money contributed for memorial poppies on Poppy Day, Friday and Saturday, May 26 and 27, will go to aid disabled veterans and the families left in need by the death or disability of a veteran, according to Hilda Prizbrowski, Poppy Chairman of Daly City Unit of the American Legion auxiliary. Distribution of flowers will be conducted by volunteer workers and all contributions will go in their entirety into the rehabilitation and welfare funds of the Legion and Auxiliary.

"Through wearing a poppy on Poppy Day, everyone can help us be ready to respond to the calls for help which will come to us during the year ahead. The poppy, which honors the war dead, also aids those who did not die but who lost health and strength in the nation's service," concluded the chairman.

Hitler Takes One-Day Census

The first definite check on Jewish emigration from Germany will be supplied from statistics collected in the Reich's one-day census tomorrow (Wednesday). About 750,000 volunteer workers will canvass 22,000,000 households, 3,500,000 farms and 5,500,000 business places, also checking employment and business conditions. Family statistics as finally completed will reveal duration of marriages and, for the first time, "Aryan" and "non-Aryan" origin, as well as religion. The census will thus for the first time reveal the number of potential emigrants from Greater Germany.

American Legion Selects Two Local Boys To Attend This Year's Boys' State

The American Legion reports Charles Yonan, 196 Irvington street, and Bob Capps, 345 Winchester street, juniors at Jefferson Union high school, Daly City, are the choice of Bayshore and Daly City Posts of the American Legion to attend this year's session of Boys' State, at the State Fair Grounds in Sacramento June 24 to July 1. Evan Gillespie, who is also a junior at Jefferson, was selected as alternate.

These boys are to be congratulated upon their selection as they have been found to be the type of boy believed most likely to develop into outstanding citizens and future heads of various government departments.

Boys' State is carried on as an important function of the American Legion's National program of Americanism and its purpose is to teach a number of high school boys, selected from each community, practical political science. The boys actually learn by doing.

"Boys' State is not an outing—not a picnic—not a recreational camp. The young men are to be citizens of a state created especially for them. It is purely an educational program and has been designed to impart to the young men a practical knowledge of the working structure of government," said Legion leaders.

In Boys' State the boys divide themselves into groups and become members of one or another mythical political party.

"The names of political parties now in existence are not to be used. Cities and counties are established and a State government organized. Nominations and elections are held in strict accordance with the laws governing the state in which the boys reside, and by use of the established method of voting the boy is given every opportunity to become better acquainted with his duties to his government and to acquire a deeper appreciation of some of the sacrifices that have been made to obtain what we have today in America," further stated the Legionnaires.

"Good citizenship must be based on a fundamental understanding of the basic government of the United States. Therefore it becomes our duty to instill in the heart and mind of the young citizen a desire to insure the benefits and privileges that we, as American citizens enjoy. Boys' State is striving for a keener interest in government among those who are to be entrusted with the future of our country."

Charles Yonan and Bob Capps have not only met with the unanimous approval of the local Legion posts but have been well recommended by the faculty of their school.

The members of Bayshore and Daly City Posts express their wish for the boys' success in their coming political venture.

Firemen Thank Friends For Aid

Editor's note: the following letter concerning the annual Firemen's Ball which was held in Daly City Saturday evening, May 13, is printed below by special request.

"We especially wish to thank the Daly City Record for publicity; and S. F. Glass company, Granat Brothers, Edwards Drug store and Siegels store, for door prizes.

"We also thank the merchants and friends who helped us with our advertising program."

Signed:

Widows and Orphans Association; Chief A. P. Chesney, President.

Following is the list of prize winners as announced by Chief Chesney: Gino S. Criaigia, 151 Charleroh street; Elaine Hanson, 401 San Diego avenue; Margetia Lomeyer, 179 Crocker avenue; Mrs. Wagner, Crocker avenue; E. Goodson, Lake Merced golf club; and Jack Warshaw.

Juvenile Drill Team To Appear at Fair

Scheduled to appear Sunday, June 11, at San Mateo county day on Treasure Island is a 24-member uniformed fancy drill team under the direction of Miss Rose, local dance instructor. Later in the summer and fall other engagements will also be arranged for Miss Rose's juvenile drill team.

All girls ranging in age from 8 to 16 years, the team is now drilling every Wednesday evening from 7 to 8 p. m. Miss Rose extends an invitation to any girl who may wish to join the team to come and be included as a substitute. Call at 876 Brunswick street.

Local Horseshoe Team Defeats S. M.

The Daly City Recreation horseshoe team in its first league game defeated San Mateo 9 to 7 Friday night on the local courts. Both teams are members of the San Mateo County Recreation horseshoe league, sponsored by the Recreation department of the WPA.

The win Friday night puts Daly City on top of the heap, since Daly City has won one game and lost none, while San Mateo has won one and lost one, and Burlingame has won none and lost one.

Next Friday night the Daly City team plays at Burlingame. On Wednesday, May 24, Redwood City comes here to play George McLeod's tossers.

The balance of the schedule insofar as Daly City is concerned brings Burlingame to this city June 2, and takes the local team to Redwood City, June 21. This game will complete the first half of the schedule.

In the game last Friday night, Daly City made 326 ringers and 42 doubles while San Mateo made only 314 ringers and 27 doubles.

Hi School Band Wins New Honors

"The Indians of Rhythm," Jefferson Union high school's swing band, won new triumphs this week when four of their members —Gerald Robertson, Robert Nelson, Laurence Lemos, and Bill Harkins— were declared winners of the Benny Walker radio program in which they recently appeared.

The quartette will broadcast again tonight (Tuesday) at 8:15 p. m. over Station KGO in the finals. A large number of Daly City residents are expected to listen in and support the local singers.

"The Indians of Rhythm," under Dante P. Lembi, staged a highly successful appearance at Stanford university yesterday afternoon, when they astonished progressive Stanford educators by demonstrating what could be accomplished through a high school dance orchestra.

The swingsters will appear at Treasure Island by invitation on June 11. They will play a return engagement at the Daly City theatre, May 26.

TO DEDICATE CITY HALL

an essay contest. Talbot's essay is entitled "A Youth Interprets Americanism."

Finale of the celebration will be laying of a dedicatory plaque to be set in the city hall floor just inside the front entrance. At the conclusion of the program Daly City Board of Councilmen will entertain honored guests at a luncheon.

Committee

Native Daughters committee is Grand President Edna Briggs, Miss Claire Cook, marshall; Mesdames Alice Oldnam, Louise Eliasen, and Helen Myers.

City Bonds

Constructed as a WPA project, work on the new city hall was started early last fall. City bonds were voted for the new building in the summer of 1937, and a major portion of construction costs was supplied by a federal grant.

Architectural plans were drawn by Will H. Toepke. H. H. Larsen Co. were contractors on the job. Julius F. Castelan, now city engineer, acted as federal inspector.

Eagles Plan Initiation Thursday

Colma Vista Grande Aerie of Eagles, No. 1848, will hold a Mother's Day class initiation Thursday evening in Eagles' hall.

Principal speaker will be George R. Reilly, a member of the State Board of Equalization, San Francisco.

A new trick in make-up is the eye-stick in a round lip-stick type of container. Easy to handle the eye-sticks make it possible to use eye shadow more artistically since the shadow can be put on as easily as lipstick.

V. F. W. Participate In Installation

Members of Old Glory Post and Auxiliary, V. F. W., motored to the Veterans building in Palo Alto Saturday evening, where they attended and participated in the installation ceremonies of the San Mateo-Santa Clara Counties County Council.

Mrs. Marie Tamulenas, Matlan auxiliary, was installed as county council president Mrs. Nellie Jensen, a past president of Old Glory Auxiliary, was installed as vice-president, and Mina Hazelhurst and Ethel Dorn as colors. Mrs. Dorn is a past president of the local auxiliary, and Mrs. Hazelhurst is the present president.

Paul C. Smith Addresses Assn.

Paul C. Smith, executive editor of the San Francisco Chronicle and a graduate of the Pescadero high school, was the guest speaker at a dinner meeting of the San Mateo County Teachers' association on Monday evening, May 8, in the Community church of South San Francisco.

Conditions in Europe today were vividly described by Mr. Smith with a general summary as to what the speaker believes the future holds for certain European countries. He concluded with a pessimistic note when he said, "I do not believe the present regime will collapse early enough to avert a world catastrophe."

E. F. Williman, principal of the Pescadero high school, introduced his former student and traced briefly his career.

Nearly 200 teachers from all sections of the country were in attendance at the dinner, including many from Daly City.

Snoods and wimples are firmly established in the spring picture and go right through the day into evening in a variety of versions.

To Hold Whist For Benefit of Church

A benefit whist for Our Lady of Perpetual Help church will be held at 8:30 p. m. Wednesday, May 17, at Eagles' hall. The affair is sponsored by members of the parish whose names begin with 'K' or 'L'. Mrs. A. Kohmann is the chairman.

During the evening many valuable prizes will be awarded. The public is invited to attend.

One Hundred Ten Take Country Tour

One hundred and ten people made up the party that took the county tour sponsored by the San Mateo Junior College Adult Center Saturday. Traveling in three large busses the group visited outstanding scenic and historic spots in the southern part of the county. Belmont, Redwood City, Menlo Park, Searsville, Woodside, Memorial Park, Half Moon Bay, San Gregorio, Pescadero, and the Spring Valley Lakes were among the places visited.

Next Monday evening the college will complete its spring forum series, with the situation in central Europe coming up for consideration.

At the Fresno Relays, the junior college track men won the high jump event and broke the record in the two mile relay event with a time of 7 minutes and 58 and two-tenths seconds.

With the championship of golf and tennis in their grasp, junior college athletes are still in competition in baseball and crew. The tennis team is still playing various teams and has just defeated Humboldt State college of Arcata on the jaysee courts. The team will also entertain the Carson City, Nevada, net-team soon.

Nearly 600 students and faculty members attended the first all-college picnic at Searsville. Swimming, boating, games and eats made up the program.

This Saturday the college Press Club will make a bus trip to Carmel to visit historic spots on the peninsula as well as to see the beautiful scenery and to picnic at one of the beaches.

Day At Fair To Reward Safety Service

Service such as this will be given a public tribute Friday, May 19, School Safety Patrol Day at Treasure Island, when more than 12,000 patrol members from California and adjoining states will gather at the fair for a program in their honor. Police and school officials, parent-teacher groups, service clubs, and other organizations are working with the California State Automobile association, sponsor of the Patrol movement in this territory, to make the day a success.

Mrs. Nancy Hurley Entertains Officers

Mrs. Nancy Hurley, past president of Old Glory Auxiliary, entertained Wednesday evening of last week at her home on Milan Terrace, San Francisco, for members of the organization who had held office during her term as president.

A pleasant evening was spent at whist, with prizes awarded the winners. At a late hour buffet supper was served from a table decorated in red, white and blue. The centerpiece was a large frozen pudding in the national colors, with the United States Seal on it. Each guest was presented with a gift.

Walter Pearlman, New York, is visiting at the home of his aunt, Mrs. Jane Pearlman, Miriam street. Mr. Pearlman contemplates making his home in San Francisco.

Your Driving

YOUR DRIVING on the highway will be a lot safer if you'll keep two things in mind, the National Safety council says:

First—before you pass a car or truck ahead, make sure that there is an extra margin of room for you to get back in line safely. If there is any shadow of a doubt . . . don't pass!

Second—a speed of 50 miles an hour is a reasonable top for highway driving. Anything over that is wasteful in the operation of your automobile, is a strain in driving and leaves you unprotected in event of sudden emergencies.

This message is from the National Safety council.

Gilroy Bets On Jupiter Pluvius

Betting odds were 2 to 1 in Gilroy last night that a record of nine years standing would be broken. Every year, for nine consecutive years, it has rained on the day that the Gilroy Roundup and Gymkhana decorations were put in place.

With the weather forecast stating "clear and warmer," betting was brisk and it appeared that at long last the Gymkhana decorations would be put in place without hampering of old Jupiter Pluvius. The decorators arrived in town this morning and the skies were perfectly clear. Those who had bet there would be no rain on Gymkhana decoration day for the first time in its history, rubbed their hands in anticipation. But no sooner had the decorators started their work when, from apparently out of nowhere, a large black cloud floated over the city and a heavy precipitation resulted.

Those in this section who have watched this peculiar quirk of nature for the past several years, wagged their heads and said, "I told you so." This year's Gymkhana is to be held on June 3 and 4.

Mr. and Mrs. James Gorman, Acton street, accompanied by Mr. and Mrs. R. Woodard and Mr. and Mrs. T. Livacich spent Mother's Day with Mrs. C. Jirgens, mother of the three women.

Social Security Cards Issued to Women

Women workers in California accounted for 42 per cent of the applications for social security account cards issued in this state in 1938 according to a statement today by Richard C. Queen, acting manager of the social security board's San Francisco office.

The national average was approximately 36 per cent, indicating that women workers are relatively more important in commercial and industrial employments in California than in the nation.

Queen also pointed out that applications for account numbers received by social security board offices in California show that one-half of the account cards issued last year were for persons under 30 years of age.

Action Drama Opens at Daly City

"Wings of the Navy," a Warner Brothers - Cosmopolitan production which is declared to be by far the best to date of the remarkable succession of smashingly successful "service" pictures turned out at that studio, comes to the screen of the Daly City theatre Thursday, May 18, with a cast headed by George Brent, Olivia de Havilland, John Payne and Frank McHugh.

As its title so aptly indicates, "Wings of the Navy" is a story laid against a background of naval aviation. It is a powerful tale that effectively transfers to the screen the spirit and traditions of the aerial division of the nation's guardians of sea and coastline, and in the course of telling the story, the film production impressively unfolds scenes which give the onlookers a vivid conception of the strength and competence of the navy's aerial wing.

Companion feature on the new bill will be "The Saint Strikes Back" with George Sanders and Wendy Barrie.

A class of 35 children are preparing for the reception of their first communion, which will be May 28 at 8:30 mass.

A whist party for the benefit of Holy Angels' church, sponsored by members of the parish and the Altar boys, will be given in the parish hall at 8:30 p. m., June 2.

The Italian Catholic Federation of Holy Angels' church went in a body to receive their annual Easter communion, Sunday, May 14, at the 7 a. m mass. Following the services, members of the Colma branch of the Federation and invited guests from other branches were served breakfast by the appointed committee. Incumbent President Albert G. Ripley would say, "Believe it or not." Because this offer is really most unusual. The average washer costs as much as $69.50. The average ironing machine also costs $69.50. But here, all wrapped up in one "package" is a genuine 1939 model Speed Queen Washer and a new Electric, table model Speed Queen Ironer — BOTH for the combination price of $69.50! Unprecedented? Yes! But this is the sort of value-giving that has made Speed Queen one of the fastest selling lines in the country. Truly, this is an opportunity you cannot afford to miss, so come in TODAY!

$28,510,000
combined yearly saving to gas and electric customers compared to rates in effect in February, 1928

Beginning July 1st, a system-wide Electric Rate Reduction, saving electric customers $2,200,000 a year, will be automatically in effect.

Effective August 1st, a system-wide Natural Gas Rate Reduction will save Natural Gas customers $1,000,000 a year.

These latest rate cuts make a total of NINE MAJOR REDUCTIONS in the cost of gas and electricity to customers since 1928—*four in gas rates—five in electric rates.*

The combined annual savings to customers compared to rates in 1928 *total more than $28,510,000 a year at present volume of sales.* As a result, today you get two and a half times as much gas heat and slightly more than twice as much electricity for your dollar as you did in 1928.

The reductions just announced are the result of many months of study and investigation by the California Railroad Commission.

They have been made possible by increased use of gas and electricity by our customers and by the continuous introduction of new economies and efficiencies into the Company's operations.

P. G. and E. rates—both gas and electric—have long been among the lowest in the nation. Now they are to be lower than ever.
